

# SCORING COVER AND ATTACHING - 1

"Extra scores" on front and back Cover .5" out from each spine score to help publication "open."

\*Also provides larger gluing area, as entire "U" shape is covered with glue = more area to apply glue and therefore more strength.

# SCORING COVER AND ATTACHING - 2

Schematic of Book Cover from the side, standing on its end before you add the book block into it to attach.

After coating the "U" with Lineco bookbinding glue, place your book block into the Cover, carefully lining up the "top" and "bottom" of interior pages to Cover edges, and let stand vertically sandwiched between heavy books on a table to dry.
